Lyrics: I've been thinking about you ever since we said goodbye. How I love those moments that are so sweet. When we hold each other close like that. Only you and I. When the world is just beyond our reach. For some reason, I keep falling in love with you. And you keep falling in love with me. It's just the way that we feel. It's just the way that we are. It's just the way that we love. It's just the way that we are. It's just the way that we love. It's just the way that we are.
