Highly digestible ingredients: Chicken, pork liver, rice starch, rice, animal fat. PLEASE NOTE: Despite our careful packing system, some tins made of thin metal can be dented in transit. However, this does not affect the quality of the contents and it is simply cosmetic damage. If there is a leak or any punctures, please contact our Customer Care Team on contact@petdrugsonline.co.uk Please Note: All prescription diets are specifically formulated to meet specific needs, ALWAYS check with your vet which diet is best suited to your pet before ordering. Instructions Ask your veterinarian for specific feeding instructions for your pet. Please see package for complete feeding instructions. Daily Feeding Recommendations are only a guide and a place to start. Grams are the most accurate form of measurement; cups are estimated from grams.New to this food? Mix increasing amounts of your pet's new food with decreasing amounts of the old food for 7 days or more. Keep fresh water available at all times! Your pet's nutritional needs may change as they age. Ask your vet at every checkup. Feeding Guide Dry Wet Chicken/Salmon 85g Wet Chicken 156g Wet Chicken and Sew 82g
